

# Answer 2: HTML5 Input Attribute

```
<!DOCTYPE html>

<head>

</head>

<body>

<h1>Input Attribute</h1>

<form>

Enter password:

<input type="text" name="password" placeholder="id"
pattern=" [0-9]{4}" title="4 digits" required />

<input type="submit" name submit value="Send"/>

</form>

</body>

</html>
```
