

Answer 2:

Conditional Statement

```
var courseNumber=23;  
  
else if(courseNumber==23)  
{  
document.write("Please go to room 15");  
}
```

The room number displayed on the screen is 15

```
var courseNumber=26;  
  
{  
document.write("Check your course number!");  
}
```

The message displayed on the screen is "Check your course number!"
