Exercise 3: Functions

1. Look at the following two scripts and fill in the blanks.

Script 1

```
<script>

_____  areaOfRectangle()

{
var length=6;

var height=6;

document._____ ("area of a rectangle is:" +

(_____)+"cm");

_____

</script>
```

Script 2

```
<script>

function sum()

var a="7.2____;

var b=9;
var c="24";

document.write("String: " + _____ + c);

document.write("Number: " +(_____(a)+ b));

document.write("Result:"+(_____("24")+20))

</script>
```
